# GOALS for every level of the game.

From the back garden to the professional clubs, Samba has been the goal of choice for anyone who recognises quality and value. All our goals have been designed and manufactured to the highest standards. Using our superb quick assembly designs, our portable uPVC goals are designed to go from car boot to fully assembled, in a matter of minutes.

From grassroots to International level, the Samba insignia can be seen everywhere from school teams to local clubs, to semi-professional leagues - the high specification and standard of the goals also mean they are suitable for FA matches.

This year, several new additions have made their way onto an already impressive team sheet:

The stats are impressive:

- To date we have supplied over 1,000,000 goals worldwide.
- Over 60 types of goals supplied, including: FA standard Match Goals, Trainer Goals, Futsal Goals, and professional football clubs.

Soccer Goals / Rugby Goals, Gaelic / Hurling Goals, Aluminium Folding Goals, PlayFast Goals, Pop-Ups, Hockey, Handball and Conversion Kits.

- · All goals can be used on any surface.
- · High impact uPVC and aluminum means our goals are strong, lightweight and portable.
- · Samba goals are sold into 20 countries around the
- Full supply of accessories nets, ground anchors, clips and pegs.
- · Made in the UK.
- All our goals are independently tested every three years to comply with relevant standards.
- To comply with FA requirements Samba Sports carries the latest ISO accreditation (ISO9001:2015) and £5 million for both public and product liability insurance. This enables the company to comply with FA requirements and also enables them to sell into the education sector

# **SAMBA MATCH GOALS features:**

- Extended run-back, roof to the net and ground anchor positions clearly marked on the tubing
- S Fully portable
- Free standing
- Highly flexible
- Use on any surface
- Virtually maintenance free
- Fit in an average sized family car
- High impact uPVC
- S Light and easy to assemble

4. Locking system throughout the whole of the frame.

1. Plastic quick clips, easy to fit, easy to remove.

- 5. Tension bars inserted directly into the corner joint for added strength.
- 6. Ground anchor positions clearly marked on the tubing for added stability.

ALL SPARE PARTS & NETS are available for all Samba goals. Contact us for more information

GOALS into the global market, you can rightly claim to be true specialists. We have been designing and manufacturing high-quality goals for over 25 years, pioneering simple and speedy assembly, the perfect locking mechanism, and a level of durability and performance other suppliers simply cannot match. Our GUARANTEE OF EXCELLENCE in our products, therefore, means what it says.

With over 60 variants of uPVC and aluminium goals, serving every level from grassroots to professional clubs and all points between, the Samba range is the first choice for anyone wanting maximum performance and true value for money.

The SAMBA brand is synonymous with quality and performance, not just with the UK's leading goal range, but with a whole host of football-related products from balls to bibs, medical kits to training aids. The new Samba 2022/23 catalogue features something for every level of player and club, for the back garden or the professional stadium.

Our professional club connections ensure that we are always on the leading edge of what players need to

As a company, when you have sold over 1 MILLION improve their game. With over 25 years of experience, we are also keen to make sure our manufacturing excellence translates into value for money for our customers. Our products are made to last and designed to perform under the most difficult climate extremes.

> The range of products displayed in this brochure includes the UK's finest range of easy to assemble uPVC and aluminium goals, a quality ball range, training aids, medical kits, bibs, and a host of accessories including fold-away seating, corner posts and flags...in fact just about everything you or your team could need to improve your game.

> So, if you want to perform at the highest level, you want Samba products to bring out your best. Samba Science will bring out the natural talent of a player by providing them with the very best equipment, combined with the ultimate training routines, then practice, practice, practice. This ethos is exactly what Samba Sports is based on, and the science of sport is a part of everything we do. The design and manufacture of the Samba range is backed by people with real experience who care about the customers we supply to and the reputation of our brand.

# **SAMBA MATCH GOALS**

- · A precise locking system throughout the goal adds strength to the frame, this goal will easily tolerate shots from an adult.
- Constructed using high-impact shatterproof uPVC material with robust corners and connectors. We manufacture all components in our UK factory, to ensure the highest quality standards are maintained.
- Extra heavy-duty net, 2.5mm twine thickness with 100mm x 100mm squares. This net meets the new head entrapment safety guidelines.
- · Quality assured and independently tested to a European standard -EN61579
- Leave this goal assembled all year round, in all weathers. Absolutely no maintenance required.
- Supplied with original Samba quickclips (manufactured in the UK). These clips are very efficient when securing the net on or off, even in cold climates.
- Use the 'anchor here' print to help position your anchors; once anchored down, the sturdy metal ground anchors will keep the goal rigid even with the strongest of shots. The metal anchors measure 8mm diameter and 10" long.
- Assemble your Samba goal by following our simple step by step instructions.

With the purchase of a match goal, you will receive a 1 year no quibble guarantee and a full service back up. All spare parts are available.

Goal includes:

- Net
- Net clips
- Carry Bag (with 16 x 7, 12 x 6, 3m x 2m)
- Metal ground anchors
- Locking system

# SAMBA TRAINER GOALS

SAMBA FOLD-A-GOAL 6' x 4'. Product code: G09FOLD Size: 6ft wide x 4ft high x 3'2" deep.

brand-new concept from Samba Sports. It is completely maintenance free so can be left outside in all conditions (a must for the British climate) but, most importantly, features a new system that enables the goal to be folded away and then re-assembled quickly and easily without tools. So, whether your next match is one pitch over or in a totally different town, there'll be no jumpers as goalposts required.

The Samba FOLD-A-GOAL can make 4 multi sizes -

Manufactured in the UK, the Samba FOLD-A-GOAL is a 12 x 6, 12 x 4, 8 x 6 and 8 x 4. Every FOLD-A-GOAL is made from 68mm (diameter) tubing, plus 100mm x 100mm net profile to meet the new head entrapment requirement. One net fits all goal sizes. FA-approved 2.5mm cord, and reinforced corners at the connecting

> All Samba FOLD-A-GOALS come complete with a 12 month-guarantee (including expected wear and tear). Two sizes available - 12 x 6 multi-goal and 6 x 4.

Size: 12ft wide x 6ft high x 4'2" deep

# **SPEED GOALS - Super-compact storage,** ready in 3 minutes

www.sambasports.co.uk

the tin. Up and ready in just 180 seconds, this piece of kit takes just one person to assemble, and no tools. Totally maintenance free, and complete with a 12-month guarantee, the steel frame includes rubber feet and weighted base so is suitable for both indoor and outdoor and the whole thing folds away into a separate carry bag.

The Samba Speed Goals do exactly what it says on surfaces with maximum stability. The Samba Speed Goals feature IDP (Impact Dissipating Technology). A 100mm x 100mm net profile is designed to meet the new head entrapment requirement and made with FAapproved 2.5mm cord is included with every Speed Goal,

# Designed and manufactured with performance in mind.

Samba is now a leading supplier of footballs in the UK. Thanks to their outstanding design and manufacturing quality, our 2023-24 INFINITI range footballs meet the needs of clubs at all levels of the game and offer excellent performance with durability our competitors find it hard to match.

We may not be able to reinvent the wheel, but you can improve a ball. The beautiful game has changed in many ways over the decades. Football can be played inside or outside, day or night, on the full or half pitch, by men, women, and children - one thing that has never changed though is that you can't have a match without a

ball. The footballs we use today however, have changed in many ways; and there is no 'one ball fits all' especially when it comes to Samba. The speed and excitement of today's game are all to do with the weight, construction and outer finish of the ball. Made in a range of sizes and finishes to suit the intended use and playing surface, from high-performance match balls, to lite and futsal balls, Samba INFINITI balls score high with players of all layers.

We've set the bar high with our new and impressive football range for the 2023-2024 season. The range includes new designs on our ever popular training, mini, midi, futsal and education footballs. Although the design has changed, the quality still remains.

# BALLS MATCH BALL

# INFINITI PRO MATCH - FIFA BASIC ACCREDITED IN SIZE 4 & 5 Size 3: BALL76300 Size 4: BALL76400 Size 5: BALL76500

You can tell an exceptional ball from an ordinary ball the moment you touch it. The feel, weight and bounce turn the ordinary into the exceptional. And so it is with Samba's new Infiniti Pro Match Ball with FIFA Basic certification. Superb quality, design and value for money. Featuring a 14-panel construction, the Samba Infiniti Pro match ball blends hybrid technology with manufacturing expertise. Quality machine-stitched construction with glued seams for minimal moisture absorption and better shape retention.
